- Communication Skills

## EDUCATION BACKGROUND

### BS COMPUTER SCIENCE

Pambayang Dalubhasaan ng Marilao

- July 2019 to July 2023

# JEFF DEXTER CAPICIO

## Junior Developer

I am an aspiring junior developer who specializes in backend and creating websites. I created a website that supports object detection for detecting common dental problems. My collaborative spirit shines through from my Internship experience, making me a fast learner and a valuable team player ready to take on new challenges in the tech world.

## RELEVANT EXPERIENCE

### Web Developer Intern

Indophil Textile Inc. - Marilao | June to October 2022

- Created a Web Information System.
- Created a Web Inventory System.

## PROJECT

### DentAlyzer

October 2022 to May 2023

- Developed a web-based clinic scheduling and patient record system with the integration of Object-Detection Algorithm that supports detection of dental problems using camera.
- Led the development of system specially the backend and security of the data.
- Technology Used: Python, HTML, CORE PHP, MySQL, Debian and Hostinger for hosting.
